EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 14 to 16.

In the Abstract, Page 62, Lines 9 to 10, delete the spacing before "wherein" to make only one paragraph.

2. This application is in condition for allowance except for the presence of claims 14 to 16 directed to an invention non-elected without traverse. Accordingly, claims 14 to 16 have been cancelled, in accordance with MPEP §821.02.

3. The Abstract has been amended to make it one paragraph only, in accordance with MPEP §608.01(b). As the change is only of a minor clerical nature, an informal examiner's amendment is proper as provided by MPEP §1302.04.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest an expression converting method, where predetermined key words are selected, and classes to which the selected key words belong are combined. *Masuichi et al.* discloses a cross-lingual retrieval system for extracting keywords as classes based upon predetermined properties, but does not disclose or suggest combining classes into combinations of classes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Martin Lerner whose telephone number is (703) 308-9064. The examiner can normally be reached on 8:30 AM to 6:00 PM Monday to Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richemond Dorvil can be reached on (703) 305-9645. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
